Sir:

The references cited on attached form PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner.

This application is a continuation U.S. Patent Application No. 08/776,361, filed May 16, 1997, now U.S. Patent 6,339,217, issued January 15, 2002, which is a National Phase filing of PCT Patent Application PCT/US95/09553.

In accordance with 37 CFR §1.98(d), copies of the cited references can be found in those applications. However, copies will be provided at the Examiner's request.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.
